

Small sized school

If you are just getting started, or are a bit intimidated by the business aspects, recommend the **Free Trial Month of Total Access**. This will give you:

- A private, customized 30 minute online session with a 3rd Level Consulting industry expert
- The Business Essentials - 40 documents in the 8 key areas.
- Weekly articles on monthly business theme.
- Monthly webinar sample.
- A “business issues” email hotline for a month.

If you are already comfortable with the business aspects, and really want to GROW, then the **Gold Level or the Platinum Level** of the Total Access business development program is the right choice for you.

Medium sized school

You may have grown to a medium sized school because you offer a high quality product, and the growth needs to be handled with more efficient and more effective systems. The **Gold Level or the Platinum Level** of Total Access is the right choice for you. In addition to the above benefits, you get:

- A private, customized monthly (Platinum) or annual (Gold) 1 hour session, focusing solely on your business systems, programs, growth, revenues, profitability and risk management.
- Geo-targeted Demographics reports on an annual basis. These detailed reports help you formulate an effective marketing plan for the upcoming year!
- Access to a variety of business management educational courses.
- Discounted (Brain Trust Conference) professional training seminars.

You may already be highly successful and profitable, but want continuous access to the business intelligence that 3rd Level Consulting offers. Examine the **Diamond Level** for even more benefits.
